

DearSirs,

"Estee Lauder Azerbaijan" has been working with TRANSBROKER MMC since May, 2014 to realize all our projects and customs services.

They do an excellent job, are always punctual, and offer the most competitive rates in country.

The company helped us to account in advance the amounts of customs payments, as well as other payments related to cargo registration. Transbroker MMC works with any types of companies, with any volumes of orders, provides business servicing (expert visits to clients).

Advance consultation of their customers, before the cargo arrival will help to avoid over delays of transport and financial costs.

Main purpose of the Transbroker MMC operations is an assistance to clients performing export and import operations. They have been very reasonably priced, and have done exactly what we've asked of them.

All of our experience during our work with Transbroker MMC has been very positive, and to our knowledge this company has a history of timely and successful completion of its jobs. We are happy to recommend the services of Transbroker.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Ruslan Gasimov
Country Manager
